Annual Reports

Annual Report serves as company's marketing communication tool as well as branding tool. You can build your reputation and brand image through well prepared Annual Reports. DART Analysts prepare annual reports that inspire, engage, and stand out from the crowd.....

Annual reports help in creating a brand image in addition to being a document that assesses the value of your company. More and more companies are becoming extremely eager to publish professionally written and well-designed Annual Reports.

We believe that Annual Report is to be published for telling your company's story in an inspirational manner, more than a mandatory communication document. DART creates positive stakeholder perceptions and makes your Annual Reports fun, engaging, and interesting.

Press Releases

Press Releases are written statements to the media, announcing

- Changes in Board/Top Management
- Dividend Declarations
- Featured Stories
- Financial results – Quarterly, Half-Yearly, Annually
- Latest News
- Launch of New Products & Services
- Scheduled Events, Awards, Branding Activities, and Promotional Events etc.

We understand the importance of press release for your company.
